ORDINANCE NUMBER 2026-30

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF ESCAMBIA COUNTY, FLORIDA, AMENDING CHAPTER 42 OF THE ESCAMBIA COUNTY CODE OF ORDINANCES; CREATING ARTICLE XI, "LARGE-SCALE DATA CENTERS"; BANNING LARGE-SCALE DATA CENTERS WITHIN THE UNINCORPORATED AREA OF ESCAMBIA COUNTY; INCORPORATING THE DEFINITIONS FROM SECTION 373.203, FLORIDA STATUTES; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, recent data center proposals throughout Florida and the United States have generated significant public concern regarding their potential impacts on public infrastructure, natural resources, and surrounding communities, and similar concerns have been expressed by residents of Escambia County; and

WHEREAS, the Board of County Commissioners recognizes that the Escambia County Land Development Code authorizes only those principal uses expressly identified as permitted or conditional within each zoning district and that data center facilities are not identified as a permitted or conditional principal use in any zoning district and therefore are not authorized as principal uses within the unincorporated area of Escambia County; and

WHEREAS, section 373.262, Florida Statutes, expressly preserves the authority of counties and municipalities to prohibit large-scale data center facilities within their respective jurisdictions; and

WHEREAS, the Board finds that data center facilities may require extraordinary electrical capacity, significant water resources, expanded wastewater capacity, substantial utility infrastructure, and transmission improvements, placing substantial demands on public infrastructure and resources while generally creating comparatively few permanent employment opportunities relative to those demands; and

WHEREAS, the Board further finds that data center facilities are not an appropriate form of development within the unincorporated area of Escambia County and that adoption of this Ordinance will codify, clarify, and reaffirm the County's existing regulatory framework by expressly banning large-scale data center facilities pursuant to the authority preserved by section 373.262, Florida Statutes; and

WHEREAS, the Board finds that preserving finite public infrastructure capacity, protecting natural resources, and encouraging development that provides broader long-term economic and employment benefits are important governmental objectives and that adoption of this Ordinance promotes the public health, safety, and welfare of the citizens of Escambia County.
